Isenhower Joins State Bank as Commercial Lender

Brownsburg- Mike Baker, president and CEO, announced today that Rick Isenhower has joined the State Bank of Lizton as Vice President and Ag Commercial Lender.

Isenhower joins the bank from Bane-Welker Equipment, LLC where he served as Gm/ Finance & Insurance/Sales Group. He has 21 years of banking experience, which includes 17 years with Wells Fargo.

“Rick will be a great addition to our team. He is well-known in Hendricks and especially Boone County and within the farming community. His family has deep roots here and we are so pleased to welcome him to the hometown, community bank. Agriculture lending is a big part of our bank’s heritage and still today is very important to the bank. We know that he will bring to the Lebanon area and Hendricks County the kind of local lending that we like to do”, said Mike Baker, president and CEO of State Bank of Lizton. Mr. Isenhower’s current office is located at State Bank’s office in Lebanon on Indianapolis Ave. He will soon move to the banking center on SR 39 North in front of Walmart.

“It really feels like home to me to be part of the team at State Bank of Lizton”, said Isenhower. Involved in the local community in many ways, Isenhower has been a member of Boone EDC for 13 years and served on the Executive Board in all offices including President and Past President. He has been involved in the 4-H programs for Boone County for the past 41 years and helps with local FFA programs and is active in his church.

Isenhower did his undergraduate study at Purdue University where he is greatly involved with the programs at the Department of Food and Ag and the Ready-Set-Sell program. He resides in Lebanon on a 4th generation Boone County farm.
